Messages: DHS Cabinet Secretary & WVDCR Commissioner

The West Virginia Department of Homeland Security and the Division of Corrections and Rehabilitations (DCR) are honored to present you with the DCR 2020 annual report.

The COVID-19 pandemic has brought new challenges to all West Virginians, especially the important task of safely incarcerating of over 10,000 inmates and providing a safe working environment for over 3,400 employees. I submit to you that DCR, with your leadership has done an outstanding job.

Sound leadership includes financial stability. During your 1st term in office DCR saved West Virginia counties \$12.9 million in fiscal year 2019; \$24.3 million in fiscal year 2020; and projected \$27.4 million in fiscal year 2021.

In 1877 West Virginia opened its first prison in Moundsville. Many things have changed, but DCR has become a leader in safety, innovation, inmate education, and employee training. This past year, the accomplishments achieved by DCR are clearly outstanding.

Jeff S. Sandy, Cabinet Secretary, CFE, CAMS

This past year has certainly been one that none of us will ever forget, as the pandemic repeatedly challenged us to find new solutions, adapt to continually changing circumstances, and deliver enhanced protections for the health, safety and welfare of our staff and populations. I am so very proud of the way in which the men and women of the DCR mobilized and responded with strength and determination – and often at great risk and sacrifice to themselves and their families - to keep each other and the populations safe.

As an essential public safety agency, the DCR operates twenty-four hours a day, seven days a week. On any given day, there are over 10,000 offenders in our prisons, jails and juvenile facilities. We have duty not only to keep these populations safe, but also to provide opportunities and programming that can help them become productive and contributing community members upon their release from our custody. While the pandemic caused significant changes to our operations

- causing us to suspend activities that could not be safely undertaken - there are nonetheless accomplishments to report, during this second year of the consolidated agency.

To this end, during fiscal year 2020, more than 9600 classes were completed in offender programming for substance use disorder, education, vocational training and job readiness, sex offender treatment, cognitive and self-help groups, and parenting skills. In addition, our residents and offenders practiced "giving back" by performing more than 248,000 hours of community service throughout the state.

As part of the proactive agency-wide response to the COVID-19 pandemic, and in cooperation with the National Guard, offenders from Correctional Industries, community corrections, therapeutic residential units, and the facilities at large also stepped up to help address community needs, by producing more than 400,000 masks, not only for the entire DCR offender and resident populations, but which, along with gowns and booties sewn by our inmates, were also donated to hospitals, nursing homes, churches, government offices, students returning to school, and community service agencies across the state.

Our Moral Rehabilitation initiative continues to thrive and includes the Mount Olive Bible College, which held its second graduation in January 2020, and programs such as Malachi Dads, Hannah's Gift, the Olive Tree, and the Discipleship Program. Our Mentoring Program likewise continues to provide opportunities to practice and experience role modeling, leadership, guidance, and accountability.

Message: WVDCR Commissioner

Our exciting relationship with the internationally renowned Inside-Out Prison Exchange Program enjoys continued success at Pruntytown through our partnership with Fairmont State University and the Inside-Out organization. The program provides the unique opportunity for "inside" offenders to study together, as peers, with "outside" college and university students in a semester-long college course conducted by a certified Inside-Out college professor behind prison walls. Following the highly successful inauguration of the program, Pruntytown served as one of the national sites for the organization's training program, providing our staff and inmate population the opportunity to conduct and participate in the training and certification process for future Inside-Out professors from across the country.

The WV DCR is one of eight state correctional agencies selected to participate in the National Governor's Association Learning Lab on Opioid Use by the Justice Involved Population, and we continue to explore viable strategies for expanding treatment options for our populations. Our second GOALS (Getting Over Addicted Lifestyles Successfully) was opened at the Northern Regional Jail and these units continue to play a key role in our efforts to help break the cycle of addiction, save lives, reduce crime and incarceration costs, and return offenders to their communities where they can become contributing and productive members of society. On this front, additional SUD treatment units became operational at the Donald R. Kuhn and Ronald Mulholland Centers, which along with the unit at the Rubenstein Center, brings our total to three such treatment units within our Bureau of Juvenile Services. A transitional living unit for female residents, modeled after the existing program for males at Rubenstein, is now operating at the Ronald Mulholland Center, to help with life skills necessary for a successful reintegration of our releasing residents back into society.

Educating the public and raising awareness about the important public safety interests that are served when viable reentry programs and opportunities are available for offenders returning to their communities continues to be a key priority for the DCR. Our parole officers and community corrections staff maintain relationships, collaborate with, and attend regular meetings conducted by Reentry Councils across the state. Through such cooperative efforts with our partners in the community, along with the programs provided for our populations, we remain committed to addressing the myriad of challenges to reentry and to realizing improved public safety and the economic community benefits that can occur when we all work together to help returning offenders become law abiding citizens and productive members of the workforce.

Reflecting on a year that has been especially demanding, I especially want to acknowledge and thank Governor Justice and his administration for the support, assistance and encouragement we consistently received. I likewise want to thank our frontline staff, who every year work tirelessly to protect the citizens of West Virginia – and who this year, in particular, is owed a special debt of gratitude for their professionalism, resilience, and incredible spirit. I cannot stress enough that the accomplishments and successes reported in this volume would not be possible without their hard work and dedication, and I would like to thank each member of our workforce for their contributions over the past year and their commitment to the team effort.

Betsy Jividen, Commissioner, WVDCR

WV DCR Accomplishments

VINE Implemented in Jails:

The Victim Notification Information Everyday (VINE) system was implemented in all ten regional jails, so that all victims who have requested notification will receive a phone call or text when the offender who victimized them is released from jail. This technological system provides victims complete control and gives them a choice for notification at one central location, with password security.

Inmate on Inmate Assaults Dropped:

Inmate-on-inmate assaults have dropped 28% from FY2019 to FY2020, resulting in safer facilities.

Goals Unit:

GOALS Units (Getting Over Addictive Lifestyles): The first GOALS Unit was established at Western Regional Jail in February 2019. In October 2019, the second GOALS Unit opened in Northern Regional Jail. GOALS Units provide Courts with the option of a six-month secure drug treatment program. If the offender completes the program successfully, his or her prison sentence can be reconsidered or reduced. The program affords cost savings to the state, for example; 70 inmates incarcerated for 6-months vs. 70 inmates incarcerated for 2-years is a cost savings of \$2.05 million dollars.

Juvenile Center Substance Abuse Unit

The DCR's Bureau of Juvenile Services established a new substance abuse unit at Rubenstein Juvenile Center. The program began accepting participants in January 2019. A second unit is being operationalized at the Robert Mulholland Juvenile Center.

Community Service Hours

DCR staff and inmates performed 248,389 hours of community service work in FY2020. Please see page 20 of this report for a detailed breakdown of the hours worked.

Collaboration with National Guard on PPE

During FY20, correctional industries inmate workers produced over 403,000 units of personal protective equipment, (photo on right) which was distributed to the National Guard, correctional facilities and within the community. Please see page 20 of this report for a complete breakdown of the production numbers.

Parole Services Statistics: Caseload by County

The map below shows the number of clients supervised by Parole Services, by county at the end of FY 2020. Kanawha County had the highest case load, followed by Cabell, Wood, Mercer and Berkeley Counties. Some reasons for these high numbers are the fact that Kanawha and Cabell Counties have high populations compared to the rest of the state, while Berkeley and Mercer border other states and supervise a large number of interstate compact cases.

On June 30, 2020, there were 4000 total clients under the supervision of WVDCR Parole Services. Of those 4000 clients it should be noted that 1283 were out of state cases.

Assistant Commissioner: Intergovernmental Affairs Bureau

Mr. David Farmer began his career with the WVRJA in February 2002 as the Director of Inmate services at the South Central Regional Jail in Charleston, WV. He was appointed as the Administrator of the Southwestern Regional Jail in Logan, WV in December of 2011. He remained in that position until being appointed as Director of the Academy/ Deputy Chief of Operations in August 2014. In July 2018, Mr. Farmer was appointed Assistant Commissioner of Intergovernmental Affairs Bureau where he oversees Constituent and Victims Services, Grant Development and Monitoring and the Justice Reinvestment Act.

The Office of Constituent Services serves as a liaison between the WV Division of Corrections and Rehabilitation and the community by providing information to address concerns regarding conditions

of confinement and delivery of timely information. The role of this office is to provide an avenue for the general public to obtain and express concerns on relative issues to the division. During FY20, this office answered over 600 calls/emails regarding issues/concerns of offenders in WVDCR.

The Office of Constituent Services maintains Employee Grievances for the Division. The Administrative Hearing Examiner administers the Level I Grievance process for approximately 4000 employees that fall within the Division of Corrections and Rehabilitation. All Level I Grievance Hearing decisions are submitted to the Commissioner of the WV Division of Corrections and Rehabilitation, for review and final sanction. If the Grievant is not satisfied with the Hearing Examiner's response at Level I, the Grievant may appeal to the State Employees Grievance Board.

During the fiscal year 2019-2020, there were approximately seventy-eight Level I grievances filed; eleven terminations/ suspensions, twelve written reprimands, twenty-seven pay related issues, seven scheduling disputes, six job position/classification related issues, nine related to leave/time, four in relation to hostile work environment/EEO and two regarding nepotism. Level I outcomes included two granted, two granted in-part, fifty-one denied, thirteen withdrew, one dismissed and nine waived..

The Victim Services Program offers direct services to victims of crime in all 55 counties in West Virginia for the West Virginia Division of Corrections and Rehabilitation. Carla Shirey, is the VSS (Victim Services Specialist) and provides services to victims by registering them in the OIS data base and registering them with the WV Victim Notification Everyday (VINE) notification program. The VINE program offers notification of the Offender's movement throughout the incarceration process of the WVDCR. The VINE Notification System is now offered in all WVDCR Facilities including 15 State Prisons and 10 Regional Jails. The VSS shares the OIS Inmate files with the Parole Board to provide Parole Notification. The VSS provides services by offering information regarding corrections and the parole process by communicating with victims daily by phone calls and direct contact by attending parole hearings. An important role provided to victims by the VSS, is attending parole hearings with victims. By supporting victims at parole hearings, the VSS is ensuring the victim's rights in the role of involvement of Community Justice within the WVDCR.

During FY20, Ms. Shirey has provided direct services to 449 victims of crime. Part of the services included attending 109 parole hearings with victims of all types of crime. While targeting the underserved population of victims of homicide in West Virginia, Carla has assisted 135 families of deceased victims of homicide. In addition, the VSS has Victim Services Representatives (VSR's) staff on-site at WVDCR facilities that are also trained to offer direct services.

WVDCR Employee of the Year

I am pleased to announce that in recognition of his accomplishments and critical life-saving actions, Mount Olive Correctional Complex & Jail Case Manager Scotty Hypes has been named as the DCR 2019 Employee of the Year. Scotty has been employed with the DCR for approximately 22 years, and he demonstrates an unwavering commitment to the care, custody and control of our inmate population, and the safety of those he is sworn to protect.

He is recognized as a dedicated, experienced, and accomplished employee. Unfortunately, a recognition ceremony for Scotty is not possible due to social distancing restrictions of the pandemic, so please be sure to reach out and join us in congratulating him on this honor. Scotty was selected from a field of outstanding nominees, all of whom are a credit to this agency, and which makes his selection for this award especially commendable. Both his

professionalism and his personal attributes reflect well for the DCR, and we are proud to recognize Case Manager Hypes as the Employee of the Year.

Congratulations, Scotty! Thank you for your service and for all you do for DCR and the citizens of West Virginia. Also, a special Thank YOU goes out to ALL correctional staff for the work you do and dedication you have to the WVDCR. It does not go unnoticed!
