Messages: DHS Cabinet Secretary & WV DCR Commissioner

The West Virginia Department of Homeland Security and the Division of Corrections and Rehabilitation (DCR) are honored to present you with their FY 2022 annual report.

Since 1863, West Virginia corrections have protected our citizens from some of the most dangerous criminals in the world and helped rehabilitate criminals to become productive members of society.

The COVID-19 pandemic has brought new challenges to all West Virginians, especially the important task of safely incarcerating over 10,000 inmates and providing a safe working environment for over 3,400 employees.

The COVID-19 pandemic also caused the resignation of over 500 employees. Governor Justice's leadership to authorize the West Virginia National Guard to support DCR has been greatly appreci-

ated by leadership and the employees of DCR.

Sound leadership includes financial stability. During the past four years DCR has saved West Virginia counties \$99.2 million in their jail bills.

The employees of DCR are the unsung heroes of West Virginia.

Jeff S. Sandy, Cabinet Secretary, CFE, CAMS

This report highlights the work and dedication of the employees of the West Virginia Division of Corrections and Rehabilitation (WVDCR). WVDCR employees have seen a multitude of changes in the last couple of years, from the Correctional Consolidation of 2018 to historic staffing shortages, and the COVID 19 pandemic.

Day in and day out, WVDCR Correctional Officers report to their facility, as well as serve temporary duties at other facilities to ensure safe and secure operations. We must also recognize all the non-uniform staff that fill security posts and facilitate the rehabilitation of the individuals housed within our facilities. The WVDCR is so much more than just walls and fences meant to keep the guilty out of society, through our programs we can help change the path of individuals.

While things continue to change, the WVDCR's mission to enhance public safety, promote offender accountability, and successfully reintegrate offenders into society remains the same.

Within this report, you will be provided an overview of the agency's accomplishments, as well as statistical information for FY 2022. None of this would be possible without the almost 3,000 WVDCR staff who continue to persevere despite constant challenges.

William K Marshall III, Commissioner, WVDCR

WV DCR Accomplishments

Organizational

- In January 2022, the **Bureau of Training and Staff Development (**BTSD) implemented training for newly promoted supervisors. The curriculum covers 14 training modules designed to facilitate a smoother transition to a supervisory role and enhance their work performance. Plans are currently being developed to expand the supervisory training program to include the agency's existing supervisory staff. In 2022, approximately 100 new supervisors have completed this program.
 - A Modified Support Staff Academy Program has also been developed and implemented. This allows Superintendents to schedule eligible support staff employees who meet the established criteria to complete their Basic Training requirements in a shortened timeframe.
- In May 2022, the WVDCR Corrections Academy transitioned from a Regional Academy Training Model and returned to the in-person training format in Glenville, West Virginia. As of this report, 454 employees graduated the Basic Training Program. Additionally, in 2022, 63 returning employees had their certifications reinstated or completed the Basic Training Waiver Program. Although recently numbering in the hundreds, the waiting list for agency employees to be assigned to training has been reduced to 19.
- A social media and outreach plan was developed to promote the DCR and recruitment.
- A Policy Committee was formed that will meet and finalize all recommendations to complete the goal of consolidating agency policies.
- The Sam Perdue Juvenile Center participated in a facility audit for the DCR Energy Performance Contracting Project which is aimed to improve building operations and functionality and to create long term energy savings.

Operational

- The Information Technology Department developed a new process for quicker response time for technical issues, with a group email (<u>DCRITSupport@wv.gov</u>) and a direct phone line: 304.352.2222.
- Most state employees employed as of July 1, 2022, received an across the board pay raise of \$2,550. The DCR proposed to the Board of Personnel that this across-the-board raise be incorporated into the special hiring rates established for Correctional Officer 1 - 3. The Board approved our proposal and beginning July 1, 2022, the new special hiring rates for CO 1-3 are as follows:
 - Correctional Officer 1 \$33,214, Correctional Officer 2 \$35,360, Correctional Officer 3 - \$37,656

WV DCR Accomplishments

- There are opportunities for advancement: After 1st year, going from a COI to a COII, and completing one year of employment with no breaks in service, you will get a 7% increase. After 2nd year, moving up from a COII to a COIII, and completing a year of employment with no breaks in service as a COII, you will receive a 7% increase.
- Effective, October 24, 2022, there is an appointment incentive of \$1,000 for Correctional Officers who agree to work for DCR no less than 12 consecutive months.

Programming

- Every prison has had a programming audit completed and every jail had a Ls/CMI audit completed to ensure statewide accuracy and consistency.
- The 4-year Bachelor of Arts Bible College Program has been transitioned to a 2year Associates Degree Program.
- The Bureau of Juvenile Services (BJS) Community Based Programs have initiated several alternative treatment options to allow at-risk youth to remain in the community after significant court involvement. These programs include:
 - The planning and implementation of a new Youth Reporting Center in Monongalia County has come to fruition through the collaboration of BJS with the Monongalia County Circuit Court and Probation Department, the County Board of Education, and the West Virginia State Board of Education.
 - The Mercer County Youth Reporting Center has relocated into a new facility, which has significantly expanded our capacity and services for the at-risk youth and families in Mercer County.
 - A new Community Intervention Program has been implemented, covering Wetzel and Tyler Counties. The goal of the service team is to proactively address pre-petition, truancy and other status offenders and delinquency issues by implementing a variety of intervention strategies in the school, home and in the community.
- The Rubenstein Juvenile Center along with the Donald R. Kuhn Juvenile Center have both continued to participate in the "Performance Based Standards" national best practices program, which uses evidence-based standards and practices to elevate the security, treatment, safety, and general morale of the programs, staff and youth, working to maximize the successful re-integration of the youth back into the mainstream of their families and communities.

Parole Services Statistics: Caseload by County

The map below shows the number of clients supervised by Parole Services, by county at the end of FY 2022. Cabell County had the highest case load, followed by Kanawha, Wood, Berkeley and Mercer Counties. Some reasons for these high numbers are the fact that Kanawha and Cabell Counties have high populations compared to the rest of the state, while Berkeley and Mercer border other states and supervise a large number of interstate compact cases.

On June 30, 2022, there were 3391 total clients under the supervision of WVDCR Parole Services. Of those 3391 clients it should be noted that 1076 were out of state cases.

Scott Patterson began employment in West Virginia corrections in 1992 as a Correctional Officer at the West Virginia Penitentiary. He worked at the Penitentiary until it closed in 1995, serving as a Counselor and acting Unit Manager. When the Mount Olive Correctional Complex opened, he became its Institutional Training Officer. While at Mount Olive, he served as a Case Manager, Unit Manager and then Director of Classification.

In 1998, he was appointed as Warden of the Anthony Correctional Center, where he served until 2007; during this tenure at Anthony, he was placed on temporary duty assignment in McDowell County as the Warden of the Stevens and Welch Correctional Centers. In 2007, he left the Division of Corrections and deployed to Iraq as a contractor to the U.S. Department of Justice, helping that country rebuild

its corrections system to operate in accordance with international standards for the humane treatment of prisoners and the rule of law.

He returned from Iraq in 2009 and, after a brief hiatus, accepted employment as a Child Protective Services Worker with the WV Department of Health and Human Resources in 2010, a position he held until 2011 when he was once again appointed as Warden of the Anthony Correctional Center. In 2014 he became the WV DOC Senior Director of Compliance and Audits, and held that position until January 2017, when he became the Director of Training. In May 2017, he was assigned as the Acting Assistant Commissioner, and he held that position until July 2018 when he was appointed the Division of Corrections and Rehabilitation's Assistant Commissioner for the Bureau of Training and Staff Development.

If the Grievant is not satisfied with the Hearing Examiner's response at Level I, the Grievant may appeal to the State Employees Grievance Board.

During the fiscal year 2021-2022, there were approximately fifty-four Level I grievances filed; six terminations/suspensions, eight written reprimands, nine pay/promotion related issues, fourteen job position/classification related issues, four related to leave/time, three in relation to hostile work environment/EEO, six over schedule/TDY, two staff negligence/retaliation, one Academy attendance, and one over an employee performance appraisal. Level I outcomes included one granted, one granted in-part, one dismissed, twenty-four denied, eleven withdrew, and sixteen waived.

WV DCR Employee of the Year

Sergeant Timothy Tibbs is being recognized as the WV Division of Corrections and Rehabilitations Employee of the Year 2021. SGT Tibbs has consistently exhibited the highest degree of professionalism and work ethic since his employment with North Central Regional Jail and Correctional Facility (NCRJ&CF). This past year, Sgt. Tibbs was given the mission to work in the Segregation Unit as the Segregation Sergeant to enhance the security and safety of the unit. Sgt. Tibbs spearheaded the mission and made significant changes in the unit whereas four sections in the unit received new paint, all showers in the Pod received new paint which improved the Inmate population morale in and of itself. Sgt. Tibbs' constant initiative to conduct random searches throughout the jail has resulted in countless weapons and drug finds, which has made the facility safer for the staff and inmates.

Sgt. Tibbs was recently given another mission to create a step-down segregation unit, whereas he took the initiative to find an Inmate crew to clean and paint the section. Once initial painting was completed Sgt. Tibbs suggested painting motivational terms throughout the section to encourage behavior modification with the inmates that would be housed there. Sgt. Tibbs is constantly on the move ensuring that his units clean, sanitized, and maintenance issues are addressed in a timely manner. He has an innate ability to lead and has also made it his mission to mentor new staff. Finally, Sgt. Tibbs' integrity is beyond reproach and has gained the utmost respect of his subordinates, leaders, and peers alike. Sgt. Tibbs is to be commended for his performance and actions during the past year and reflects great credit upon himself, the North Central Regional Jail and the West Virginia Division of Corrections and Rehabilitation.
