Corrections Connection

Volume 10 Issue 2
Summer 2017

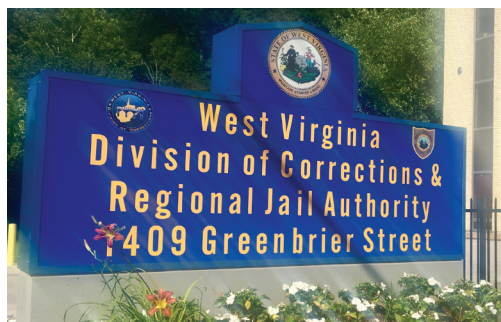

I wish to take this opportunity to thank all of you for the work that you do. I know that many facilities are experiencing drastic vacancy rates in their correctional officer ranks and those in other job classes are having to fill in where necessary. I commend all of you for taking on these tasks and pushing through to achieve this agency's mission.

I also want to thank those who are going from their home facility to assist at Huttonsville Correctional Center, where they are experiencing extremely high vacancy rates with their correctional officer positions. I know that this places a hardship on some, however, we must remember that we are all a part of one team and that means we must pull together during the tough times. Your dedication and hard work are to be commended.

Again, thanks to everyone for staying the course. I will continue to work towards improving the work environment for all of you and keep corrections in the forefront for improved salaries.

Loita Butcher
Acting Commissioner,
WVDOC

The new WV Division of Corrections and Regional Jail Authority sign was installed in July, 2017. The Central Office building on 1409 Greenbrier Street in Charleston, WV, is the headquarters for administrative staff from both Division of Corrections and Regional Jail Authority. Human Resources Staff from both departments are now located in the Correctional Industries Building at 617 Leon Sullivan Way, Charleston, WV.

During the months of February and March 2017, a fundraiser was held to benefit Mission WV and The Carry On Project. The *Carry On Project* raises funds for foster children and assists in providing these children with duffle bags and necessary hygiene products, as well as items to comfort them during

HCC Warden JT Murphy and Melissa Nicholson, CCI

their transition from each home they may be placed. The inmates at Huttonsville Correctional Center (HCC) were able to order from a selection of items offered by Super Buffet in Elkins, WV. With each order the inmate placed, they were asked to make a donation for the Carry On Project. At the conclusion of this fundraiser, the inmates had ordered a total of \$5,640.34 worth of food from Super Buffet! A total of \$692.00 was donated to Mission WV for the Carry On Project. *I could not be more pleased with the donations that these children will receive. As it was a very busy couple of months, I would like to extend my sincere gratitude to all staff and inmates of Huttonsville Correctional Center who played a part in making this fundraiser a huge success.*

Jackson’s Mill Boys State Conference

The 80th American Legion Mountaineer Boys State (ALMBS) was held at Jackson’s Mill from June 11-17, 2017, with COII Rana Stephens representing Pruntytown Correctional Center for the WV Division of Corrections. COII Rana Stephens week long attendance provided criminal justice and other interested participants with information and opportunities for Correctional Officers based on knowledge and experience of being a WV Division of Corrections employee. This is the second year of a Corrections Program, and COII Stephens is working in conjunction with ALMBS directors and officials to grow the program and raise awareness of Correctional responsibility through hands on scenario training. The Corrections participants elected a Commissioner, two Wardens and six Correctional Officers. During scenarios, they learned how to complete seizure forms from contraband found hidden in jails and the reporting of daily activities. One scenario training event included keeping intake logs; resulting from offenders coming straight out of the court system, escorted by sheriffs to the jail where Correctional Officers logged in offenders, seized and secured their property and placed them in jail. Participants learned the importance of and how to work in conjunction with the sheriff’s department and local police with escape exercises during these scenarios. In addition, they were made aware of and how to utilize the chain of command from the Warden up to the Commissioner. Through this practical training, participants were exposed to the rights, privileges, duties and responsibilities of citizens who elect officials to operate various city, county and state government offices. Attending the ALMBS College and Career Fair on June 13, 2017 were CO II Rana Stephens, OAIL Shelley Downey and Cpl. Phil Poling with K-9’s Kara and Maddie.

Mr. Mazzulla brought his coaching staff and a major part of his team members for the assembly. Fairmont State University Fighting Falcons took time to talk about building character and sharing some of their struggles to get where they are in life and gave time for inmates to make statements and ask questions. The assembly at this time was geared towards Unit 25 RSAT and RSAT graduates. There were approximately 100 in attendance including staff and the team of 22 that Coach Mazzulla brought with him. They were fortunate to have Joseph Mazzulla and the interest he has in being involved in programs here at PCC.
